

INTERNATIONAL STUDENT REFUND POLICY

Definitions

Course: an accredited higher education course offered by the SHEA.

Student: refers to an international student that requires a student visa to study in Australia.

Course Fees: fees paid for a Course.

1. Overview

This policy outlines the process for an international student to claim a refund and the circumstances in which a refund will be paid. This policy does not cover students who do not require a student visa to study in Australia (domestic students).

2. Refunds

- The initial application fee is not refundable.
- This policy applies to both commencing and re-enrolling students.
- Requests for a refund in the case of student default must be submitted on the *International Student Refund Request Form* and must be accompanied by official documentary evidence of the grounds for the request for a refund (Note: no application is required for refunds described in items 1, 2 and 3 in the table below).
- Refunds will be paid in Australian dollars to the student or nominated bank account as specified in the *International Student Refund Request Form*¹.
- For overseas refund payment, an international money transfer fee will be deducted from the refund amount.
- Approved refunds will be paid in full within 30 days of receipt of the refund request, provided that:
 - all supporting documents have been submitted as necessary; and
 - all relevant information to enable payment has been provided (complete bank details including swift code and correspondent bank for overseas payments).

The amount of refund is determined as shown in the following table. A refund administration fee of \$200 and any bank fees that apply to the payment of the refund are deducted from the refund amount. If you have paid by credit card the refund must be made to the same credit card. If you have paid by direct deposit the refund will be paid to the bank account that you specify in writing. Refunds can only be paid to an account of somebody else with your express written permission.

3. You must be up-to-date with Course Fees at the time of the request.
4. The request will be assessed based on the information provided.
5. If the refund request is approved, a refund calculation advice is provided that explains how the refund was calculated.

7. The refund will be paid in Australian dollars.
8. SHEA Accounts will send a copy of the payment receipt to the Student.
9. Records of Results for subjects completed and paid to-date will be issued upon request.

3. Special circumstances for refunds

SHEA has the discretion to approve refunds if the student would be unreasonably disadvantaged if not granted a refund - for example:

- A student meets with a serious misadventure, serious illness or hospitalisation (two weeks period minimum) supported by a medical certificate.
- Special circumstances that have been discussed and agreed upon between the student and the Dean and Finance Manager.

The following circumstances would not be accepted for a refund:

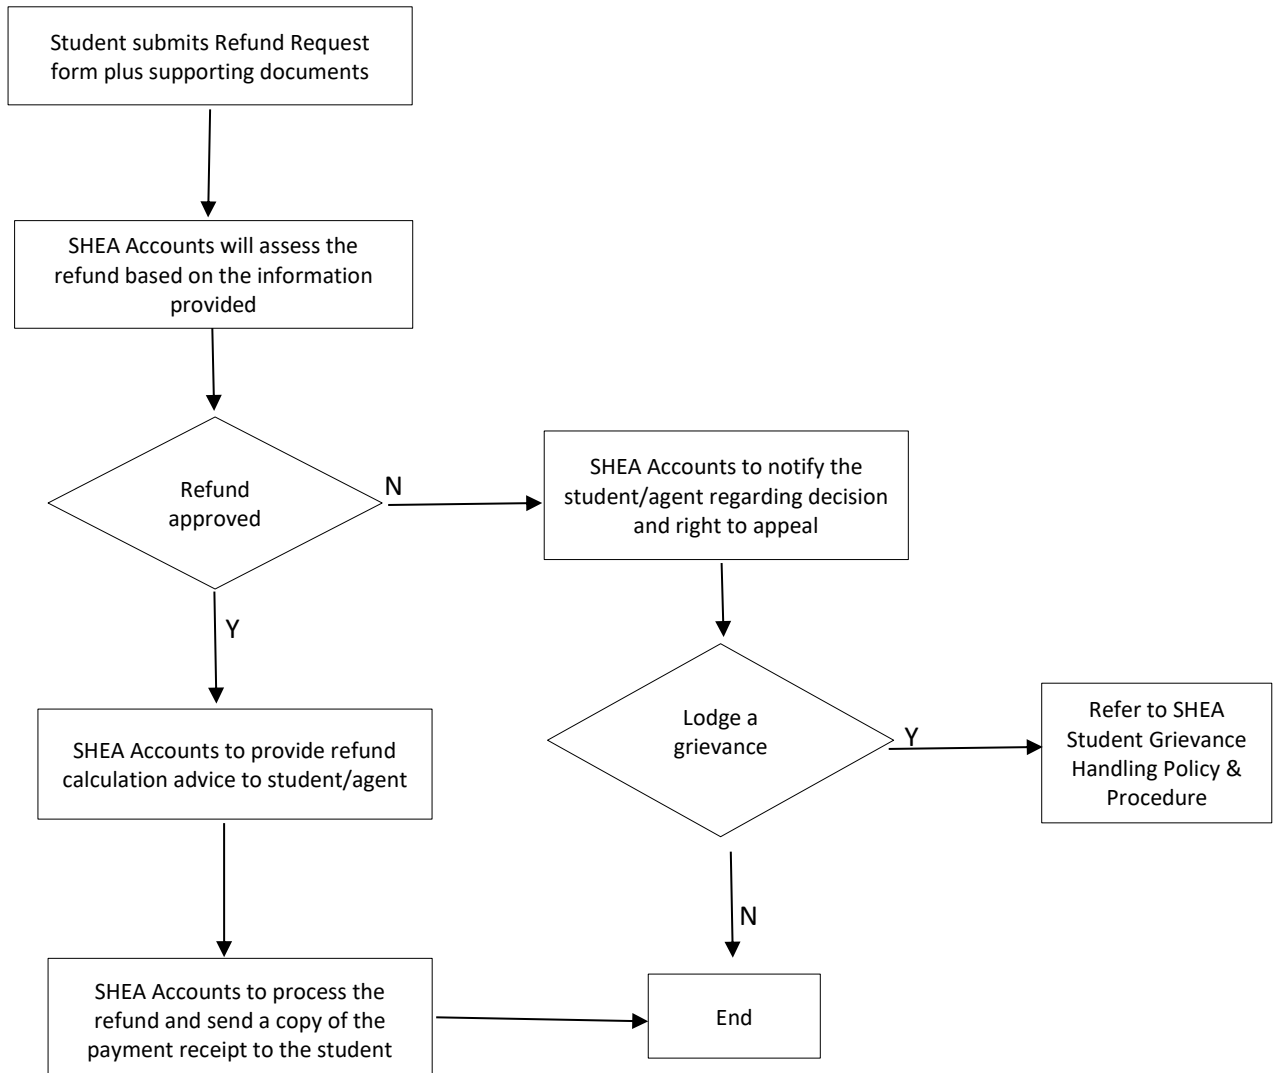

- Change in work hours;
- Job change or retrenchment;
- Moving interstate or overseas;
- Technology barriers which mean you are having difficulty completing the Course;
- Language or writing barriers which were not declared at the time of application which mean you are having difficulty completing the Course.

4. Complaints regarding refunds

Students are entitled to access the grievance handling process should they be dissatisfied about SHEA's decisions relating to refunds (*Student Grievance Handling Policy and Procedure [POL024]*). This information is available on the SHEA website.

Students are advised that the availability of complaints and appeals processes does not remove the right of the student to take action under Australia's consumer protection laws.
